Saturday Sampler 2018 honors the history of Sampler blocks through the years. Do you remember when Eleanor Burns was THE TV personality? That started 40 years ago, and she has chosen some of her favorites to compile into a new book

Forty Fabulous Years.

For each of 14 months (yes 14!) we'll make one of the blocks from her book, using her unique techniques. Then you can finish your quilt using her classic log cabin setting, or our classic framed square quilt that has been so popular over OUR years here at PQW.

On the Second Saturday of each month (or the Thursday or Friday before) attend a demonstration of the construction of a quilt block, and then receive the fabric to make one yourself. Registration is \$36 and includes the book and your first block, and will be paid at the first session. If you attend a Month 2 session with your first block completed, the next packet is free. (Otherwise it is \$6). Each time you attend with last month's block completed, that month's block is free. It is possible to get all 14 blocks for just the cost of your initial Month 1 fee! (If you participate by mail, your registration fee, plus postage, will be charged when your book and month 1 block is mailed. After that \$6.00 plus postage will be charged each month.)

Here's what to do first:

- **Choose** the fabric collection you'd like (you may make more than one, but only one can be free):
 - Art Gallery AG-BLOOM** – Blooming prints selected for us by Walter Bravo of Art Gallery Fabrics
 - AGED MUSLINS** – Not quite solid in a subtle rainbow of color from Marcus
 - ISLAND BATIKS** – Yes batiks! Blue to green with warm accents
 - MORRIS AND CO** – Authentic prints from the archives produced by Free Spirit Fabrics
- **Register** online at www.penningtonquilts.com, or in the shop.
- **Come to a demo on July 12, 13, or 14.**
- **Come at any of these times:**
 - Thurs at 4, 5, 6, or 7 pm
 - Fri or Sat at 9 am, 10, 11, 12 pm, 3 or 4 pm (Note: no classes at 1 pm or 2 pm)
- **Plan** to attend each month, through August 2019, on the second Saturday, or the Thursday or Friday before.

Saturday Sampler will meet the second Saturday of each month and the Thursday and Friday before.

Note that it is sometimes the first Thursday and Friday of the month.
